Subject: mobile lab inspection - Pohatcong OU3
Date: Wednesday, February 14, 2018 10:08:00 AM

Hi, Phil-

Thank you for talking with Kim and me yesterday about Pohatcong OU3. As we discussed, we would like to have someone from your group do an inspection of the PRPs mobile lab that will be at the site in March. I'll keep you posted, but figure we will need inspection around mid/late March.

Thank you!

Best,

Michelle Granger, RPM
